10th Anniversary Extreme Makeover: Home Edition Build

Saturday, September 28, 2019, 6:30 PM

Almas Temple Grand Ballroom, 1315 K Street, NW, Washington, DC 20005

Proceeds from this event will support TFS' free, high quality afterschool programs for 400 students from underserved communities.

In 1939, the late Martha and Gaston Lewis of Chadbourn, North Carolina, welcomed our Founder, Tom Lewis, into this world. The sixth of 15 children, Tom fought through abject poverty to show the world his servant's heart. Nearly 30 years ago, he put his personal dreams on hold and dedicated his life to serving the children of Washington, DC by launching The Fishing School in an abandoned former crack house. This selfless endeavor has enriched the lives of nearly 7,000 students from marginalized communities.

We would be eternally grateful if you support him and his life's work during the celebration of his 80th birthday on **Saturday, September 28th**. On that evening, we will also celebrate the **10th anniversary of our game changing experience on ABC's Extreme Makeover: Home Edition** television program, when a decade ago, thousands of volunteers and donors came together to build us a new debt-free headquarters. We will present three annual awards for service that evening: **the TFS Distinguished Alumni Award, the Tom Lewis Community Service Award, and the Gilbert Paisner Corporate Citizen Award.**
